Complete the following steps to receive your device!

Step 1 : Parent/Guardian Consent

Parent/Guardian Name _____

Student Name _____

Student ID (no leading zeros) _____ School _____

I give permission for my student to participate in the Sprint 1 Million Project which is focused on providing internet access to students at home. I certify that my student would benefit from enhanced home Internet connectivity. Our home either: has multiple students sharing Internet access, has slow or inconsistent Internet, or lacks Internet connectivity. I understand that my student will receive a mobile device with filtered access to the Internet for academic purposes. I understand that my student must comply with the school's and district's device policies.

Parent/Guardian Signature  _____

Step 2 : Complete Online Device Application and Agreement

Student must complete the following application and agree to the terms of the program using the following form:  <http://bit.ly/ousdsprintagreement>

Step 3 : Complete Sprint Survey

Your voice matters! Please complete the linked survey below so we may learn more about the program's impact.  <http://bit.ly/ousdsprintsurvey>

Step 4 : Turn in this form and pickup device from your school

After steps 1-3 are complete, Tech Exchange will review the application and pre-activate devices at their facility. Devices will be batch delivered to schools within 1-3 weeks.

Step 5 : Select Device Option* (Subject to availability)

A. Hot Spot _____ B. SmartPhone _____ C. Tablet _____
