Halloween Parade: Weds, Oct. 31st @ 12:45 pm

You are invited to Glenview's Halloween Parade Wednesday, Oct. 31st @ 12:45. Students will walk around the block with their class, and we welcome families to line the sidewalks and wave and cheer for the kids. Mr. Miller leads out the front door, then classes follow in order of age. We go left towards Adeline and around the block—coming back in the gate by Room 20 on 53rd St near Market. Guidelines for students:

- Students in grades 1-5 are not permitted to wear their costume to school. Rather, they can bring a costume and change at school before the parade.
- TK-K students are permitted to wear their costume to school.
- No full-face masks should be worn during the parade.
- Students are not allowed to bring any costume accessories to school that could be perceived as scary for our younger students or unsafe, this includes: horror character costumes, full face masks, swords, knives, guns, fake blood, etc. If they do so, the item or costume will be held by the teacher for the parent to pick up.

Reminders re: Soda, Candy and Sweets

There is no soda, candy or gum allowed at Glenview. This rule includes before, during or after Halloween. Please refrain from sending candy to school with your child in their lunch or for parties. Children will have PLENTY of candy at home and do not need additional sweets at school. Your child's teacher will let you know if they are planning a party for the class and what sorts of healthy food options families can bring in.

Glenview Halloween Carnival - October 27 1:00 - 4:00

Calling all ghouls and goblins! It's almost time for Glenview's spooktacular Halloween Carnival! Come in costume! There will be

News Updates

Shoo The Flu Day, 11/2/18:

Pediatricians recommend that all children get vaccinated against the flu every year. With or without insurance, your child can get a free flu shot at Glenview on 11/2/18. Consent forms went home last week, please return your consent form to school and send your child to school on 11/2/18. Only children with signed consent forms will receive their shot on 11/2/18. More Info. check out www.shootheflu.org/

Collecting Box Tops: Turn in to your teacher or place them in the box at the office with your Teachers name on it. We will have a Pizza party in December for the classroom that can bring in the most box tops. Deadline for turning them in: Oct. 29th.

Great ShakeOut Earthquake

Drill: Glenview will join the entire OUSD school district and people from around California to practice how to Drop, Cover, and Hold On at 10:19 a.m. on Oct 18th during the Great ShakeOut Earthquake Drills, which began in California in 2008. Participating is a great way for your family or organization to be prepared to survive and recover quickly from big earthquakes. Your child may come home that week asking you about your family plan for earthquakes- who will pick them up? who may take longer to get to school or home? Make a family plan!

food, free games, prizes and the infamous Haunted House, of course! Don't forget to sign up to help with your class game, a food station, or the Haunted House! Here's the link: <https://tinyurl.com/GVW-HalloweenVolunteers>

Principal Quinn's Corner:

This coming week OUSD has Friday off! I will be driving to Los Angeles with my family to visit in-laws and a good family friend who just started college at UCLA. With my oldest a senior in high school this year, I find myself looking back at all her years in OUSD and I can say without a doubt the years of elementary school are the most formative. School traditions, like the legendary Halloween Carnival and Haunted House, are some of the events that leave deep and lasting impressions in people's childhood memories. It is so wonderful to be a part of a school that keeps traditions alive. I cannot wait to see how Glenview does Halloween this year!

Local Library Events

Join Scientific Adventures for the second of four programs dedicated to creating a wildlife friendly garden habitat at the Golden Gate Branch Library. Taking our data from our first program, we'll begin to design our wildlife garden space and build a variety of shelter options for our wild neighbors. Help us make this new area inviting for all sorts of species and share your ideas for what to include.

This program is the second in a 2018-19 partnership between Golden Gate and Scientific Adventures. You do not need to attend all programs in order to participate, but you are welcome to! Our fall/winter dates are as follows:

- October 27, 10:30am-12pm: Habitat Construction/Shelters
- November 17, 10:30am-12pm: Habitat Installation/Planting
- January 26, 10:30am-12pm: Wildlife Garden–BioBlitz 2

Location: Golden Gate Branch Library, 5606 San Pablo Ave
