Glenview is Grateful

November is a month of reflection and gratitude for many of us. In that spirit, November will be the month where "Glenview Is Grateful." We are asking that you take a minute to have your student write a note or make a drawing for a teacher or staff member and thank them for all they do for our community. You can either send it to school in your student's homework folder or bring it to the main office and put in the GIG (Glenview Is Grateful) box on the front desk. PTA volunteers will pick a few to read at the morning meetings on 11/9 and 11/16. All Grateful notes will be given to our wonderful teachers. Let's spread the love this month and show that Glenview is grateful!

Principal Quinn's Corner:

Hello Glenview Families. We are approaching the end of our first trimester of the school year. Learning is in full swing. Technically the end of the marking period is November 9, and any work done after that date is reflected in the 2nd trimester report card.

Teachers then have until Thanksgiving break to do report cards. Rather than having a week of minimum days right after break, we decided to schedule the parent teacher conferences the week of December 5th. Report cards will be given at parent teacher conferences. At your conference, expect teachers to share your child's work and current performance, as well as grade level expectations. Conferences are the best opportunity to partner with your child's teacher to support their success, so mark your calendars to hold the date. Conference appointments will likely be made the first week back from break.

Glenview's Annual Food Drive! Oct 26 - Dec 14

All donations will be headed to the Alameda County Food Bank. Donation bins will be close to the front doors of school!
