We had not completed our final count at this submission and still have 2 more events coming up...but total money raised so far is \$138,632. The Morning Chant

Students have been practicing the morning chant in sign language as a way to be inclusive to our new Deaf and Hard of Hearing Community. It may take a bit more time before they have it down, but here is the chant. Ask your child if they can do some of it in sign language!

I believe I can learn.

I must learn.

My mind is a pearl.

I can do anything.

I'm in this world because

I am somebody.

I will always be somebody.

I will succeed.

Because I - Am - Somebody!

Classroom Highlights

Our youngest and newest students are starting off the year strong in TK! We spend our days learning letters, playing math games, and singing songs together. The best part of the day is our morning circle, when we all greet each other and start our day

News Updates

Parents of English Language

Learners: There will be a meeting at 5:00 on October 11th about reclassification. We will discuss the statewide assessment called ELPAC (English Language Proficiency Assessment of California) that is used to measure growth each year and is one of the criteria to Reclassify as FEP (Fully English Proficient). Our goal is that every EL is reclassified by their 5th year in an American school system.

Walk and Roll To School Day:

This coming Oct 10, 2018 is International Walk and Roll to School Day, a day to encourage human-powered transportation! Coach José will be coordinating this event. Email XXX if you can contribute an hour ~7:45 to 8:45 am on that day. No experience required!

Also, if you're even slightly curious about biking with your children to school, and/or want to encourage them to bike on their own, fear not! XXX is also organizing cyclists and bike buddies of all kinds, as a way to encourage more families to bike to school! There are a few families that already bike from Glenview and Santa Fe to school, if you need folks to ride with.
