Enter the latest Glenview raffle to win a week of summer camp for your child. Tickets are only \$2 and on sale now on Konstella. Winners will be announced on 2/5.

Principal Quinn's Corner

This Friday is a professional development day for OUSD Staff. Glenview teachers will be attending district offered PD on math in the morning and then returning to Glenview at Santa Fe to score student writing K-2, or score the Interim Block Assessment (IBAs) in Reading Informational text 3-5. It is through thoughtfully analyzing student work that teachers are able to set goals and focus their instruction. At Glenview, we consider assessments to be a window not only into our students' strengths, but into our own teaching.

Book Fair

Glenview's Annual Scholastic Book Fair is right around the corner, February 8 - 15. We will have two Saturday events on February 8 & 15 from 10-12. Join us for refreshments, connect with other Glenview families, and buy some great books for your kids just in time for the Read-A-Thon. If you can't make a Saturday event, your students can shop during their class' regular library time, or you can shop online (link will follow when live). As always, all proceeds support the PTA in purchasing materials for the school library and classroom libraries. If you have any questions, please email glenviewbookfair@gmail.com.

Science Fair News

The Glenview Science Fair 2020 is in less than two months! We'd like every student to have fun discovering how the universe does (or doesn't) work! The submission date is March 5th, judging and awards will take place on Friday March 6th. There will be a Mad Science show the evening of the awards ceremony. Student registration for the science fair can be done via: <https://tinyurl.com/glenviewscience2020> registering ahead of time will help us plan.

News Bites

Talent Show Interest - looking for volunteer parents:

Do you want to help plan or support the talent show we'd like to have at the beginning of May? Please reply to Orli at orli.bein@gmail.com and take a moment to answer the following 2 questions: 1) Are you available to help with auditions and practices either right after school or at 6pm (4-5 meetings total, though attending 2-3 minimum would be great)? 2) Would you like to be part of the planning or would you prefer to just be available to support these efforts as a helper?

STEM Night Volunteers: We are looking for folks willing to share what they do with us at interactive tables as we celebrate Black History STEM Night with our whole community on Friday, February 21st 5:30- 8 pm in the Glenview at Santa Fe cafeteria? Please email bandersonoakland@gmail.com We also need set-up and clean up volunteers and a graphic designer to make flyer! Email Samara at kemticdiva@gmail.com

If you have news or events that you would like to share with the Glenview community via Facebook, Instagram, Twitter, Konstella, the website, or the Grapevine, please contact Karen Baughman, Vice-President of Communications. glenviewcommunications@gmail.com

We also need adult volunteers to take care of registration, judging, and various tasks, please register at <https://tinyurl.com/GlenviewScienceFairVolunteer20>

Judges with a science-related career are preferred, so kids can ask questions about science careers, and see that scientists are just like the rest of us. Please forward the link to anyone you think may be interested. Feel free to discuss in the Science Team Konstella group or email Dave Shivak (dshivak@gmail.com) if you have any questions.

Ways to get a board:

1) Pick up in person, hand in signup paper form when picking up (form available in office)

Thursday Jan 30th: 8:00 - 8:30am - Board handouts

Tuesday, Jan 28th 2:45 - 3:00

Tuesday, Feb. 4th 2:45 - 3:00

Sat Feb 8th: 10:30 - 11:00am - Board handouts + Science fair "how to" seminar

Sat Feb 8th: 11:30 - 12:00am - Board handouts + Science fair "how to" seminar

Sat Feb 15th: 10:30 - 11:00am - Board handouts + Science fair "how to" seminar

Sat Feb 15th: 11:30 - 12:00am - Board handouts + Science fair "how to" seminar

2) Room delivery at end of day, Thursday Jan 30th - fill out online form

If you sign up online using the link (<https://tinyurl.com/glenviewscience2020>), we will deliver boards to classrooms where students have indicated that they still need a poster board. If the student has already picked up a board please specify "Yes" for the question "Does the student already have a poster board?" to avoid duplication. Please ensure your student(s) can transport the board home without inconveniencing any drivers.
