

WELCOME TO FOURTH & FIFTH GRADES!

Dear 4th and 5th Grade Families,

We look forward to working with you and your children next year! Here is a list of recommended summer activities, and a list of supplies all fourth and fifth grade classes will need next year.

Summer Preparation

- **Read** for 30 minutes every day and **discuss** the book with an adult or older friend.
- **Keep a journal** - record thoughts, poems, stories and observations at least 2x a week.
- Review **addition, subtraction & multiplication**. Count money. Read an analog clock.

Classroom Supplies

If you are able, please provide the following supplies on the first day of school. Equity and a focus on learning are extremely important to us at Glenview. Please **do NOT get any supplies with characters or other decorations**. Decorations make your child's things stand out and distract from learning.

Personal Supplies, labeled with your student's name
