Dear Glenview Community:

On behalf of Bay Area Community Resources (BACR) it is with great pleasure that we introduce ourselves to the Glenview Elementary community as your Expanded Learning Program (ELP) provider for the 2022-23 school year. BACR is a regional nonprofit agency and our mission over the last 40 years has been to promote the healthy development of youth and families, encourage service and volunteerism, and build strong, collaborative and equitable communities. We have been providing academic support, enrichment, and physical activity based programming across the Bay Area since our inception and in Oakland since 2004. We are currently Oakland's largest after school provider. Our ELP mission statement is to "Empower Youth to Excel, Lead and Succeed". To those ends, we promote young people's holistic development by providing opportunities for them to acquire new skills, engage in creative learning, help plan and implement activities, and make meaningful contributions within their communities.

We would love for you to take a moment to check out our Facebook [www.facebook.com/bacrdotorg/](https://www.facebook.com/bacrdotorg/) and Instagram @bacr\_expandedlearning to see some of the exciting adventures that happen in our programs.
